

[gift of Susan Livingston, 2nd June 1824]

Sunday 9th July
Dear Wright

Here, to-day
comes a letter, evidently
from Wolsche!

Miss Parker was
not at church to-
day. So likely she is
taking her holiday -
But it is very prob-
ably one might or will
stay at home,

I suppose you are
doing up some knazing.
Whenever you can

to come to C.

You know you are
welcome to a seat
at our table, as long
as you like - till your
arrangements are made.

Ever Yrs, A. Henry
